

Validation Statements

Validation statements are not always up-to-date, but you can confirm with students while you're making class selections.

1. Select a student or group of students
2. Click "system reports"

The screenshot shows the PowerSchool SIS Start Page. The left sidebar contains a 'Reports' section with 'System Reports' highlighted by a yellow box and a red '2'. The main content area has a search bar with 'Grade_Level=10' and a grid of letters. The letter '10' is highlighted with a yellow box and a red '1'. Below the grid is a 'Current Student Selection (9)' table with columns for Student, Grade Level, and Student Number. The table shows five rows, all with a grade level of 10. At the bottom right of the table are buttons for 'Select By Hand' and 'Select Function'.

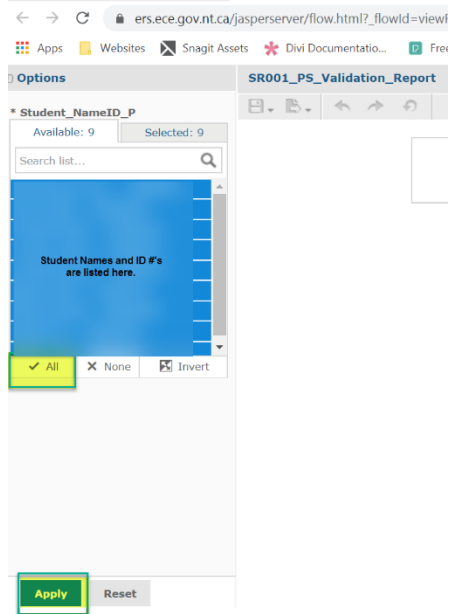

3. Select the Jaspersoft Reports Tab along top

The screenshot shows the PowerSchool SIS Reports page. The breadcrumb trail at the top reads 'Start Page > Reports > Reports (System)'. The left sidebar shows the 'Reports' section. The main content area has a 'Reports' title and a row of tabs: 'System', 'ReportWorks', 'State', 'Engine', 'Setup', 'Custom Reports', 'ECE Custom Reports', and 'Jaspersoft Reports'. The 'Jaspersoft Reports' tab is highlighted with a yellow box.

4. Scroll to the bottom and you'll find:

Student Records	Description
SR001 PS Validation Report	Student Validation Report
SR001 PS Validation Report By StudentId	Student Validation Report by Student Id

5. Select all students to run for the entire Grade or selected group and “Apply”.

6. Make a PDF of the report here:
